

Beauty Blogger: Audrey from FabulessBeauty.com

Meet Audrey, a fabulous beauty blogger, specializing in fabuLESS products! Audrey is constantly on a quest to find inexpensive, high-quality beauty products that get the job done RIGHT, proving that you don't need to spend a fortune to look like a million bucks. Read on to find out more about Audrey, and Olay's NEW Regenerist Micro-Sculpting Serum, created to keep skin looking young at any age.

Spotlight on Skincare: Olay Regenerist

Audrey dishes: "Even though I'm only 27, one of my biggest beauty concerns is aging! It's best to start using anti-aging products before you start noticing signs of wrinkles in order to prevent future damage and additional wrinkles from forming."

My skin: "I have extremely sensitive and acne-prone skin. Many skincare products cause me to break out, so I am always cautious when using something new. I am proud to report, though, that after using **Olay Regenerist Micro-Sculpting Serum** for only one week both in the mornings and evenings, I can already see a difference. My skin is noticeably smoother, brighter and extremely supple."

Why I love it: "The serum is non-greasy, fast-absorbing and most importantly, I didn't break out! As an added bonus, this serum works as the perfect primer under foundation."

NEW Olay Regenerist Micro-Sculpting Serum delivers significantly firmer skin in 5 days* and reduces the appearance of fine lines and wrinkles in just 2 weeks.

My Beauty Background:

Growing up in a conservative family, my mother didn't encourage wearing makeup. Luckily, my high school dance and colorguard teams required cosmetics. Since then, I've been discovering new products, learning different makeup application techniques and enjoying the wonderful world of beauty.

My Beauty Philosophy:

As cliché as it may sound, don't judge a product by its packaging. A low-cost eye shadow can work just as well as an expensive one. Understanding what your needs are, and being open (that's key!), can keep you looking beautiful for less.

You'll never catch me without my:

Lip balm. I currently have five in rotation!

Why I blog:

I enjoy having a creative outlet in which to share my true passion—beauty! And when I find really great, affordable beauty products, I can't help but share them with others looking to save, not skimp, on beauty. After all, I'm all about saving money, especially in these economic times.
